

# Cynatine<sup>®</sup> HNS

Protects and Repairs

Damaged Hair,

Nails and Skin!

## Cynatine<sup>®</sup> HNS

Cynatine<sup>®</sup> HNS is a revolutionary cosmeceutical ingredient comprised of Solubilized Keratin, a protein found naturally in the body. Cynatine<sup>®</sup> HNS supplements the body with bioavailable Keratin which aids in protecting and repairing damaged Hair, Nails and Skin. Cynatine<sup>®</sup> HNS is clinically proven to be effective at 500mg per day!

  
ROXLOR

## Skin Care:

### 1. **Cynatine reduces fine lines and wrinkles**

Through its zinc and copper complexes bound to proteins

### 2. **Cynatine Promotes firmness and Elasticity in Skin**

By improving the protein structure and improving moisture retention

### 3. **Cynatine Reduces Redness from Inflammation or Sensitive Skin**

By blocking PGE2 production

### 4. **Cynatine improves the brightness and radiance of skin**

Through its natural antioxidant properties and its ability to promote SOD and glutathione production

## Nail Care:

Cynatine is capable of binding with the nail and providing improved strength, elasticity and moisture retention

## Hair Care: **CLINICALLY PROVEN**

Through a recently completed clinical study, it has been proven that Cynatine HNS:

- Reduces Hair Loss
- Improves Hair Strength
- Increases Hair Brightness
